PORTFOLIO

Edrian Miguel R. Santiago

Introduction

This portfolio showcases my personal skills as BSIT student, highlighting my background and skills.

Hello,
I'm Edrian Miguel R. Santiago

About me

I am a first year BS Information Technology student in PHINMA-Araullo University with a strong interest in system development and programming. I am eager to learn new technologies, apply my skills in practical projects, and continously improve my time management, problem-solving skills and teamwork capability.

Skills

- Basic Programming (Python, Java)
- Web Development (HTML, CSS)
- Problem Solving
- Team Collaboration
